Re-Redacted Journal Entry
 of M. B DAIZE
 --- May 9th, 2002

As we stepped outside the restaurant, **they** turned to ask me, "do you think they knew we **are** **queer**?" Taken back, I answered as honestly as I could. "I'm not sure." **Their** question made me wonder whether my response would **change** had I brought the bag that carries my little purple & yellow striped heart. I shrugged off the thought, deciding I can pin **my pride** on my chest regardless.
